

P7500

7.5kVA Inverter

Key Features

CO Guard	Automatic shutdown when harmful carbon monoxide levels are detected
QPT – Quiet Power Technology	Engine speed automatically adjusts to reduce noise and fuel consumption
Wheelbarrow-Style Kit	Two wheels and fold-down handles for easy transport
Push Button & Wireless Remote Start	Convenient starting options at your fingertips

Specifications

Rated Power	6,800 W
Starting Power	7,500 W
Voltage	240 V
Frequency	50 Hz
Fuel Type	Unleaded petrol
Fuel Tank Capacity	20.2 L
Oil Type	15W-40
Oil Capacity	1.1 L
Outlets	1 × 32A 240V, 1 × 15A 240V, 2 × USB ports
Noise Level	65–70 dB at ¾ load
Run Time	4.5 hrs @ 100% load

Dimensions & Weight

Length	102 cm
Width	70 cm
Height	80 cm
Weight	92 kg
